SKILLS & ATTRIBUTES

- Teamwork & Positive Attitude

Learned the importance of communication, hard work, organization and management of team dynamics as: a member of Dragon Zone Premier Dragon Boat, a coach of Eric Hamber Dragon Boat, and a member of Team Canada Junior Dragon Boat, Field Hockey BC and Vancouver Hawks teams. Strive to improve group morale build positive relationships with others.

- Responsibility & Leadership

Always push myself to be on time and to complete assigned school work, volunteer assignments and employer tasks to the best of my abilities. Consistently attend and work my hardest at Dragon Boat practices, as well as coach and design workout plans to bring out the best in others. A responsible leader instructing young children, having fun, and keeping them safe within the Whistler Kids Snow School Program, and as a Camp Councillor at the Dragon Zone Paddling Camp. Constantly planning, evaluating, and motivating in my coaching roles.

- Computer Skills & Technology

Extensive knowledge of computer hardware and various programming languages: Java, HTML, CSS and Python. Experience with animation and modeling across a variety of platforms: 3D animation (Blender, Cinema 4D), Flash, rigging and modeling (Maya, 3DS Max). A background working as Technical Support and network management for schools and conferences. A passion for building devices over the years, ranging from keyboards to computers.

EDUCATION & TRAINING
